

## **HSW Training Requirements Matrix**

Mandatory

Mandatory where relevant to the work/study/role

Courses are recommended where relevant to the work/study or role

This training is not offered by Monash University. Evidence of completion through an RTO (Registered Training Organisation) should be forwarded to Talent Development (HR).

II This course has pre-requisite requirements.

And HLTAID011 is valid for 3 years and includes HLTAID009. You must renew HLTAID009 every year in between to remain qualified.

\*\*\* For a definition of when a task requires risk assessment please see section 2 of the OHS Risk Management Procedure.

#\* Event Managers who have completed 'OHS for Managers and Supervisors' training for their main Monash role are not required to complete OHS Risk Assessment training'.

"   "OHS Risk Assessment training".																																						
	Inductions Managing Health & Safety In the Workplace									Safety Principles Training										Risk Assessment Training						First Aid and Emergency Response												
Unless otherwise stated, courses must be completed within four months of taking up the role. Completion is to be monitored by local area management.  If your role is not mentioned please contact OH&S for further guidance.
