Restricted Access

Internal campus areas are restricted to pedestrians and trolley access only. Vehicles requiring access through entry bollards into internal campus areas must have approval by Monash Security before arriving at the campus.

For more information on access arrangements, including the use of spotters, view our [delivery access guidelines](#).

Staff organising the delivery must arrange access by submitting an online form to Security, available at this [link](#).

For more information about transport and parking at Monash visit: monash.edu/people/transport-parking
