

PATHWAYS OVERVIEW

The following table provides an overview of the pathway options that are available for Monash University undergraduate courses (single degrees only). In all cases, you'll need to satisfy the English language requirements and prerequisites for the course in which you're seeking admission. It's recommended that you choose pathway content related to the course. Detailed course prerequisite information is available from the Monash course guides or at monash.edu/study

Mathematics prerequisite must be met.	60% average with Year 12 70% average without Year 12. Mathematics prerequisite must be met	Diploma of Applied Data Science: 60%	If the English language requirement hasn't been met, the two single-unit pathway can consist of one science unit and one English-rich unit. Mathematics prerequisite must be met.
Science	Bachelor of Science	Clayton		60% average	60%		Two science units, 60% average	80% average	60% average with Year 12 70% average without Year 12	Diploma of Science: 55%	If the English language requirement hasn't been met, where the applicant's schooling was entirely in an English-medium educational institution, the two single-unit pathway can consist of one science unit and one English-rich unit.

For further and more detailed information, call 1800 MONASH (666 274), email future@monash.edu or visit monash.edu/study

1 Successful completion of this diploma provides up to one year of credit in select destination degrees, including associated double degrees. See monash.edu/study/courses for details.
2 This is the minimum requirement to be eligible for consideration if you haven't completed any other studies (such as Year 12 or other tertiary studies). Your full academic history will be taken into consideration. Please read this column in conjunction with the 'Other information' column which contains relevant information regarding single university subjects.
3 These are the minimum scores to be eligible for entry into second year of a related Monash University undergraduate course. Domestic students achieving the indicated grade aren't guaranteed entry into second year at Monash University, nor are they guaranteed a Commonwealth Supported Place (CSP).
4 Upon completion of the Diploma of Art and Design, you'll commence first-year second semester.
5 Selection is competitive and based on academic merit.
6 Requirements for a double degree will be dependent on the requirements for each single component degree. Study at other campuses may be required depending on your choice of double degree.

7 DoTS is only a pathway into the single degree Bachelor of Education (Honours) in Primary Education. It's not a direct pathway into the double degrees.
8 This applies to primary double degrees in Arts, Business, and Science.
9 Only applicable to Bachelor of Education (Honours) single degrees.
10 This applies to secondary double degrees with Arts, Business, and Science.
11 Completed diploma with 55% average allows entry into second-year at Peninsula (only).
12 For the first year you'll study five units at Caulfield campus. All of your other units are delivered at Clayton campus, including three online units undertaken in your third year.
13 For the first year you'll study three units at Caulfield campus. All of your other units are undertaken at Clayton campus.
