

Tips for Writing Your NCP Personal Statement

Your application in MAP, including the Personal Statement, is Part 1 of the Monash Abroad portion of your NCP Scholarship application. Read the below tips to make sure your application is NCP ready!

Don't forget the deadline to complete your NCP application in MAP is Sunday 19 June, 2022 at 11:59pm.

Review the Monash Abroad NCP Scholarship Scoring Rubrics

Monash Abroad utilises a standardised rubric for each part of the application process. Using this rubric will support you in your preparation for both Part 1 and Part 2 of the application.

Read DFAT's Advice for Applicants

The Department for Foreign Affairs and Trade (DFAT) breaks down the response criteria and provides invaluable feedback on how best to address each criterion. This will be important for both Part 1 of your application and, should your Monash Abroad application be successful, Part 3 (written application with DFAT).

Learn from successful applicants

DFAT has a YouTube channel with videos about NCP Scholarships. In this video, hear from successful applicants about how they prepared their written statements.
